

TREC RIDE

At Denny Wood on Sunday 16 January 2011

We eventually held the Christmas Trec with Fancy Dress on the 16th January. With over 50 entries it was deemed a great success, both logistically and outcome. Kate did a sterling job with the route which satisfied both the experienced Trecers and the novices, and the Mulled wine and nibbles at the end went down a treat. It was greatly appreciated that some competitors even supported the Fancy Dress element; you could see that lots of time and thought went into the costumes. All competitors really enjoyed the day, the weather was kind and the going was good.

We were delighted to be able to send a cheque for over £200 to the Mark Davies Injured Riders Fund, for which we had a very grateful letter of thanks. Kate said she would do another one, so keep your eye on the Newsletter.

A slight mist on the horizon was that we were later asked by a forest user if Competitors could be more sympathetic with other forest users. I know our Members are aware and considerate when taking part in Club Events. However we would like to emphasise this point and avoid it happening again.
