Anita Dovey very kindly gave us the use of her premises at Otterwood to use for our Table Top Tack Sale. I wasn't sure how the day would go as this was a new thing to me apart from Jumble Sales.

We had quite a few people showing interest and the turnout was far better than expected. The only problem with having a table with goods to sale is you end up buying everyone else's items.

We also made money from selling tea and coffee with a biscuit which also helped raise money. In all we made £53.81 which has been donated to Macmillan Cancer Support. Thank you to all who helped make it such a good day.
